

45-Hour Parent Teen Driving Guide

Blind Zone Identification

Objective: Identify the “No Zone” areas around large vehicles and discuss safe strategies for minimizing risk and sharing the road responsibly with trucks and other large vehicles.

Directions: With your student, draw the NO ZONE on each side of the truck.
Share and discuss together, using these questions to guide your conversation:

1. What are your concerns when driving near large vehicles?
2. Brainstorm ways to minimize risks when near a truck.
3. How should you handle sharing the road with large vehicles?
